

# RESTORE 1130

## Capital Campaign

### What Is Restore 1130?

Adapting to Provide for our community.

Allen AME Church has been a staple and landmark in the community for 122 years in its current location, 1130 West Lexington Street. The building has not undergone additions and renovations to adapt to the current time period.

Restore 1130 is a project initiative to bring the building and its grounds up to today's safety codes while improving the aesthetics and functionality. The beauty of the architectural design will be preserved for future generations. We will continue to provide services for our community.

1

#### PRESERVATION

We will keep what works for our building and ministry.

2

#### RESTORATION

We will upgrade what will work for our building and community.

3

#### LEGACY

We're not resting on the past, but building for our future.

**Stage 1**  
Design & Build

**Stage 2**  
Level 1 will be renovated and restored.

**Stage 3**  
Sanctuary/ Level 2 will be renovated and restored.

## Why?

We want to leave a legacy for our future generations.

From the first day to now, Allen AME and Pathway Forward, Inc have been on a mission to assist our community with its needs.

We are making a visual difference in Baltimore. We have created a sense of belonging and ownership within our neighborhoods.

## How?

It is time to improve our facility so we can continue the great work in the future. We are asking you to contribute financially to our Restore1130 Campaign. There are three phases to our plan to restore, upgrade and preserve the facility. We ask for you to Pledge an amount to contribute to Restore1130.

If you have questions, please send a text or email to [PathwayForward2021@gmail.com](mailto:PathwayForward2021@gmail.com)

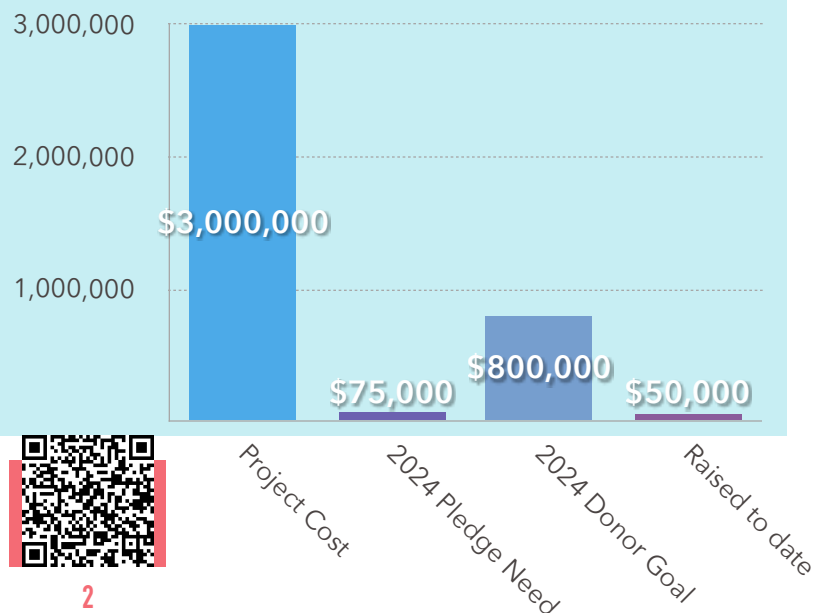

You are always welcomed to join our efforts to uplift and support our community members. You can sign up for one of our future events by scanning this QR code and filling out this form:

**Over 5 generations of God's people invested to provide for our community.**

## WHAT DO WE NEED TO DO NOW FOR RESTORE 1130?

- **Pledge** an amount to give for Restore 1130 [Pledge Sheet](#)
- **Promote** our efforts within the community, friends and family #Restore1130
- **Pray** that God continues to use us for His will and mission
